

American Lincoln Part

American Lincoln Parts - Now connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. In the business they are recognized within the industry as providing durable and strong equipment which meets the needs of larger infrastructure and heavy industry. Products made in the United States of America; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery-operated walk behind model of floor scrubber along with the Clarke Company which is presently likewise owned by Nilfisk Advance. Their manufacturing operations are mainly based in Springdale Arkansas. These kinds of scrubbers are accessible in the market under the trade mark name "Encore". American Lincoln can provide warranty service, equipment and components for these kinds of scrubbers which have both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility managers where results and efficiency make a difference. Recently, this particular floor scrubber model has been requested by the architects in different construction projects such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on location because of the model's supreme performance level and excellent quality for polishing concrete.
