

Advance-Nilfisk Part

Advance-Nilfisk Parts - Think about how long and tiresome it would actually be to clean-up right after a party, with no assistance from equipment. Previously, the dust from upholstery and carpets had to be beat out of them manually; brooms, brushes and cleaning cloths were the top cleaning products at the time.

P.A. Fisker, the man who founded Nilfisk-Advance, was actually an electrical engineer who really loved working with electrical motors. Establishing the business in 1906, he started to produce motors to drive coffee grinders, drills, fans and machine tools. Mr. Fisker's dream from the beginning was to own a global company selling merchandise internationally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning business. Mr. Fisker invented a incredible, ground breaking vacuum cleaner that can be operated by a single person for the reason that it just weighed 17.5 kilos! This invention came in a time where many cleaning machines were massive and needed at least 4 operators, hence, the Nilfisk C1 transformed everything and developed the manner we clean forever. The brain behind these very first cleaning machines remains unparalleled. Cleaning equipment provide a brilliant solution to an ongoing dilemma; things get dirty and have to be cleaned frequently, without too much effort.

Little by little, the business Nilfisk-Advance expanded all through the years. During the early 1980's the business expanded more rapidly when the business became a part of the NKT Group. With new owners on board, they focused on driving Nilfisk-Advance ahead within the business, aspiring to be an active global player in making professional cleaning machines. Nilfisk-Advance is currently represented in all parts of the world due to gradually acquiring lots of smaller companies so as to develop their product portfolio and presence in new markets. They are proud to present a range of cleaning solutions to suit each and every requirement.
