

TCM Forklift Part

TCM Forklift Parts - Forklift trucks are a major player in the material handling field of each and every international trade. Transporting industrial goods takes place each and every day on our busy world. Primarily innovated as industrial vehicles in the 1930s in the U.S., forklifts gained recognition after World War II during the 1940s. Becoming a reliable and efficient means to material handling solutions, the practicality and need of these machinery spread internationally.

In nineteen forty nine, founded by Mr. N. Niwa, the original Toyo Carrier Manufacturing Company Limited, which was later named Toyo Umpanki Co, was recognized. Currently the business is simply known as TCM Corporation. Over the years, TCM lift trucks have become a worldwide leader in forklift manufacturing and have built a solid reputation in the trade. TCM started constructing lift truck manufacturing sites outside of Japan during the 1980s and is now engaged in lift truck manufacturer at three foreign factories in Europe, China and the United States.

With more than fifty years of accumulated expertise and technology, TCM has been proudly manufacturing several models of industrial lift trucks, making their models known all around the globe. With a strong and energetic workers, TCM has been able to continually work towards becoming a future leading material handling business.
